

Retrospect 1985

Peach County High School

Fort Valley, Georgia

Since I was born
my life has been
filled with
new faces . . .

Some I still
remember
Some vanish
without traces

I take a step into life each day

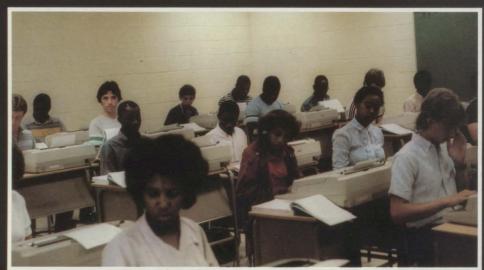

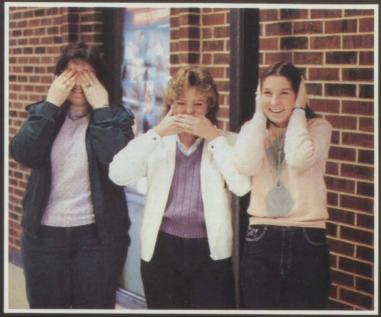

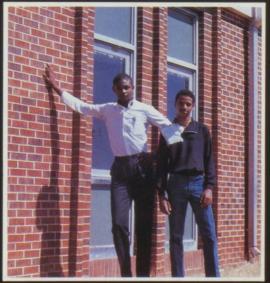

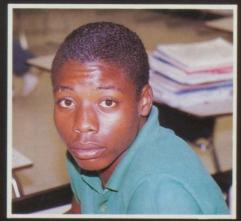

With the rising of the sun

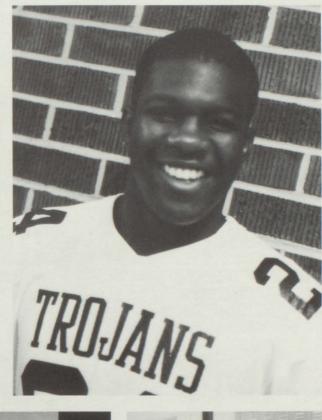

I fill my days

With anything I desire

EACH COUNTY HIGH SCHOOL

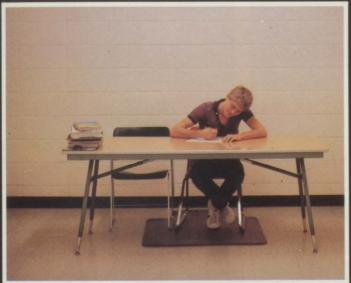

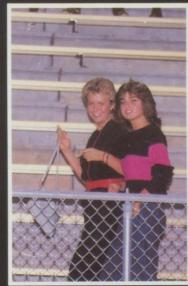

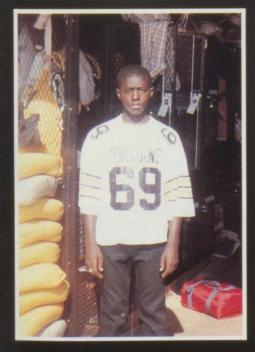

And look back when the day is done

Jo me, stepping stones

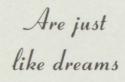

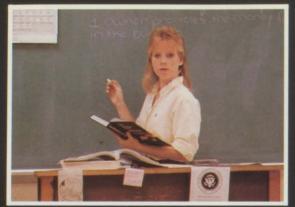

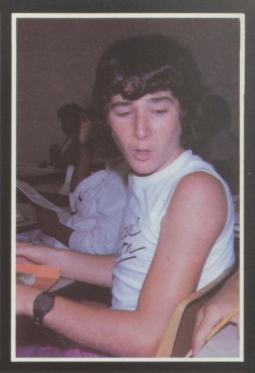

You know that you follow those steps

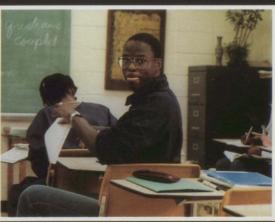

No matter how difficult it seems

So . . . when the going gets rough

And it seems
you've lost
your way

Hold on to your dreams

Work toward them day by day

This year, Peach County had a special assembly in which the students were allowed to vote on government offices and issues. Although this vote didn't count in the official election, the student body had their own opinions.

The students of Peach County did support a freeze on the development and production of nuclear weapons by a vote of 519 for to 248 against. However, our students rejected deficit spending to finance the federal budget by a vote of 549 to 208, and, we favored increasing federal aid to education by 84%. The results from the drinking age issue weren't surprising, especially since we were dealing with the group that would be affected by this law; 590 students voted against raising the drinking age, while 170 students said that it should be raised. The votes were close in the statewide lottery issue, but our students voted it down — 394 to 363.

The students also cast ballots for government offices. The following are the results:

U.S. Rep. from the 3rd Congressional district—
Richard Ray — 624
U.S. Senate: —
Sam Nunn — 671
Mike Hicks — 47
President/Vice-President:
Walter Mondale/Geraldine Ferraro — 414
Ronald Reagan/George Bush — 319

THE CHRISTMAS CONCERT

Despite the high temperature and sunshine, Peach County got into the Christmas spirit this year as the choral music classes performed the Christmas concert. The singers were directed by Mrs. Anna Lumpkin. The concert band also provided entertainment. During the program, Mrs. Faye "MAMA" Craft was nationally recognized as one of the top 5 industrial teachers in the U.S. Congratulations Mrs. Craft.

Last year's baseball team only won a few games, but they never lost their spirit and desire to play. It was a long season but we pulled through the tough times working together as a team. We had more than enough support from all the fans and we thank them for that. We wish much luck to this year's team, and ask for continued support from the fans. Good Luck TROJANS — We all know you're the best!

Antic Spring focuses on six high school students out to enjoy a picnic on a beautiful spring day. The teenagers encounter young love, true love, and the end of love in a variety of comic incidents.

The play received a very warm welcome at the Region One-Act Play Competition and brought home the 4th place award.
